

Syllabus update: Cambridge O Level Bengali (3204) for examination in 2021 and 2022

We have updated this syllabus. The latest syllabus is version 2, published September 2019.

What has changed?	Detail
 Changes to assessment (including changes to specimen papers)	Cambridge will no longer offer Version 1 of O Level Bengali (3204) for 2021. This version was published in September 2018 and included a revised syllabus and scheme of assessment offering a Listening component and a separately endorsed Speaking component. For 2021 Cambridge will offer the existing O Level Bengali syllabus and scheme of assessment.

We have not updated the specimen materials for this syllabus.

Please check the updated syllabus for further information.

The syllabus has been updated. You are strongly advised to read the whole syllabus before planning your teaching programme.
