4 The government is considering four ways to improve the lives of people in cities:

- reducing air pollution
- providing clean water and sanitation in slum areas and shanty towns
- developing more parks and spaces for leisure
- creating more jobs for unskilled people

Explain which of these ways you think is the best way to improve the lives of people in cities.

In your answer you should:

- state your conclusion;
- give reasons for your opinion;
- use the material in the Sources and your own experience and evidence;
- show that you have considered different perspectives.
