A government report concludes that a historical site is being destroyed by tourists. The following actions are being considered to protect the site for the future:

- restrict the number of tourists visiting the site
- increase the cost of transport and entry to the site
- close the site completely and create a protected area.

Which **one** of these actions would you recommend to the government, and why?

In your answer you should:

- state your recommendation
- give reasons to support your choice
- use the material in the Sources and/or any of your own ideas
- consider different arguments and perspectives.
