3 Traduisez en **français**:

I like fishing and I often go down to the river with my friend Pierre. We can rest and we generally catch a few fish. The water isn't deep so my mother doesn't worry when we go there alone.

Last Saturday, Pierre came to my house at ten o'clock in the morning and we set off together carrying our picnics in a bag and our fishing rods. I had my new bicycle which my parents had given me for my birthday.

On arriving, we sat down on the bank of the river and started to chat. Soon, Pierre saw that there was a fish on the end of his line. He was delighted to have caught the first fish of the day!

We enjoyed ourselves for several hours then we decided to return home. We had already eaten but we were still hungry. Unfortunately, after jumping on to my bicycle too quickly, I slipped and fell into the water! Pierre laughed!

He helped me to get out onto the grass. What an awful situation! I was, of course, soaked to the skin and my beautiful bicycle was covered in mud. My father would not be very pleased!
